Registered buyers are invited to complete this Tender Bidding Form on all lots that they wish to purchase. Multiple Lots can be added to one form. Where the number of tenders exceeds space on this form, a second form may be stapled to the first document. The buyer must sign any additional Tender Bidding Forms. Tenders will only be considered from buyers who have completed a Bidders Registration Form. Further, all buyers must use this Tender Bidding Form which must be completed in its' entirety. By submitting a completed Tender Bidding Form, the buyer accepts and understands that the Conditions of Sale will apply to the signatory.

goldingsAUCTIONS reserve the right not to include a tender, in the event of any error, doubt, omission, uncertainty as to the bid, or for any reason whatsoever and give no warranty, or guarantee, that a tender will be made on behalf of the buyer and accept no liability.

How to submit a Tender

Breheny Plant, Vehicle & Machinery

23rd & 24th March 2020

- All buyers must complete a 'Bidders Registration Form' whereupon a bidding paddle will be issued. This will be your Registered Buyer number.
- Complete the Tender Bidding Form, ensuring that the Lot Number and Description as described in the catalogue are clearly printed on the form.
- Ensure that the Tender Bidding Form is fully completed including your name, address, telephone number and signature.
- If the Tender Bidding Form is not signed, your tender will not be considered.
- Multiple Lots can be submitted on the same Tender Bidding Form.
- A second Tender Bidding Form can be added by stapling to the first. All additional forms must be signed.
- You are advised to submit an obscure tender figure i.e. £501.20 rather than £500.
- Please return all completed Tender Bidding Forms together with your Bidders Paddle to the registration area before leaving the site.
